For Honorary President.

SHIMOGA DISTRICT.

Notification dated 17th April 1913.

It is hereby notified that the right of levying tolls on carts entering the limits of the Town Municipality of Shimoga during a period of one year, from 1st July 1913 to 30th June 1914, will be put to public auction at 12 noon on Monday the 5th May 1913, subject to conditions hereinafter described.

2. The sale will be conducted in the office of the President of the Town Municipality by the President or in his absence from headquarters, by the Vice-President of the Municipality.

3. The right shall be knocked down to the highest approved bidder and shall, in case the sale is conducted by the Vice-President, be subject to formal confirmation by the President, who reserves to himself the power of accepting or rejecting any bid at his discretion without assigning any reasons for the same. The President further reserves to himself the power to dispose of the right by tenders or otherwise if the bids obtained at the auction are not considered satisfactory.

4. Persons intending to bid at the auction must attend in person or by a duly accredited agent. Every such person shall deposit beforehand a sum of Rs. 100 as earnest money. The deposits made by unsuccessful bidders will be returned at the close of the sale.

5. The successful bidder, hereinafter termed contractor, shall, on the sale being knocked down to him, at once deposit a sum sufficient to make up with his previous deposit one-twelfth of the amount of his bid and a further sum equal to two-twelfths of the bid amount on or before the 20th May 1913; and he shall also execute, before the said date, an agreement on stamped paper binding himself and heirs to observe the conditions hereinafter set forth. If default is made either in making the deposits or in executing the agreement as above, the amounts, if any, already deposited, will be forfeited and the right to collect the toll shall be forthwith resold or otherwise disposed of by the President.

Conditions.

---(1) The amount for which the right has been finally purchased shall be payable in equal monthly instalments commencing from July, 1913. Each instalment shall be regarded as the rent for the month in respect of which it is payable and shall be paid into the treasury on or before the 20th of the month. In case of default, the President shall be at liberty to suspend further collections of toll by the contractor, direct the forfeiture of the deposit made by him and dispose of the right to collect toll during the remaining period of the year by resale, tender or otherwise as he may deem fit. Such resale or other disposal shall be at the risk of the defaulting contractor, who shall not be entitled to any gain accruing thereby; but in case of loss he shall be liable to make good the deficiency between the amount payable for the period under the terms of his contract and the amount fetched by the resale or other disposal. In the latter case, i.e., in case of loss, the forfeited deposit of the contractor shall be taken towards the recoupment of such loss. Should, however, the forfeited deposit be greater than the loss by resale or other disposal, the whole of such deposit shall be credited to the Municipality.

(2) The deposit of three-twelfths of the bid amount made by the contractor shall be taken as a guarantee for the due fulfilment of the contract; and if not forfeited, shall be returned after a month after the expiry of the contract.

(3) No remission or abatement of rent or compensation on any account shall be claimable by the contractor.

(4) Interest at 6 per cent per annum shall be recoverable on all arrears from date of default.

(5) Tolls shall be levied at the rates detailed below:—

	Rs.	a.	p.

2. Do do when empty ...	0	2	0
3. Carts drawn by one bullock, buffalo, horse, pony, ass or mule when laden ...	0	2	0
4. Do when empty ...	0	1	0

(6) A board exhibiting the rates of toll as above, written or painted legibly in English and Kannada characters, shall be put up at every toll-gate.

(7) A second toll shall not be levied on one and the same cart in the course of the same day, which shall count from 12 midnight.

(8) No toll shall be levied on carts engaged in the passage of troops or military stores or equipages or of Police officers on duty or any person or property in their custody or of any property *bona fide* belonging to Government as established by the production of a certificate from the Head of the Department or office to which it belongs; also on carrying contractors' carts conveying timber of the Forest Department.

(9) No toll shall be levied on carts on which Mohatarfa tax has been levied by the Municipality. Such carts will be numbered by the Vice-President of the Municipality, who will issue a pass therefor.

(10) The levy of tolls shall, generally, be subject to the conditions laid down in the late Chief Commissioner's Notification No. 274, dated 4th November 1876.

(11) An account of the daily collections at the several gates shall be maintained by the contractor; and at the end of every month a copy thereof shall be sent to the Vice-President for check. The account shall be open to inspection at all times by the President, Vice-President, Amildar of Shimoga Taluk or such other officer or Councillor of the Municipality as the President may specially authorise on this behalf.

(12) The right shall not be transferred by sale, gift or otherwise or subrented without the previous sanction of the President, who reserves to himself the right to reject any application therefor without assigning reasons.

(13) The names of persons appointed by the contractor in connection with the levy of toll at the several gates shall be previously reported to the Vice-President.

(14) The contractor shall be held responsible for the due fulfilment of the terms of the contract; and in the event of any infringement of any of the conditions thereof, it shall be competent to the President to impose upon the contractor a fine not exceeding Rs. 50 for every such act of infringement. The fines so imposed shall be at once paid up by the contractor, and in case of default, it shall be competent to the President to suspend further collection of toll by the contractor and to dispose of the right to collect toll during the remaining period of the year by sale or otherwise as he may determine; such resale or other disposal being at the risk of the defaulting contractor in the manner explained in condition (1) *supra*.

(15) The imposition of a fine or the cancellation of the contract under the preceding para shall be no bar to the prosecution of the contractor or his employees for any offence, or to the institution of other legal steps against them under any law in force for the time being.
